Dear MR. Core Anderson,

I am writing to apply for your position in momentum digital inc as a junior web developer. I am an educational professional with over one years of instructional design experience.

I am living in Montreal to complete my final year at CDI college, where I am majoring in Web-design. I am Interested in working for momentum digital Inc. because I want to further my own knowledge and Interest in web development, and I believe I can offer new Ideas in your Company.

In my current position as Instructional Designer at The Knowledge Company I work with educators and subject matter experts to determine their main learning objective; I am thoroughly familiar and comfortable with multi-media in various forms and can utilize these media to most efficiently deliver educational content. My superior communication skills allow me to transmit knowledge in a way that is easily understood by all kinds of learners. I possess expert knowledge of learning theory and use this information to guide my actions.

I welcome the opportunity to bring my skills to ABC Learning Systems as an Instructional Designer. I am confident that I possess the skills knowledge and professionalism you seek for your next Instructional Designer. I look forward to meeting you in person to discuss my qualifications and invite you to contact me at your convenience. Thank you for your consideration. I have achieved national level certificates in graphic design and proficiencies in Adobe Creative Suite, HTML, HTML5, CSS, WordPress and a range of other design, video, web, wireframe and multimedia software.

. I enjoy collaborating with clients, creative teams and production professionals to deliver design solutions propelling web traffic, social media engagement, response rates and customer-acquisition results. I am readily available via email or phone in order to arrange an interview, and have attached my resume below as per your request. I appreciate your consideration and look forward to hearing from you.

Sincerely,

Gagan Kapila
